“ My deepest heartfelt condolences to the Sevilla family for the loss of Catherine. She was a wonderful woman. I was blessed to have her as my mother in law for 18 years. She gave me advice and mentoring and much support when I needed it. She will always be remembered for her smile and laugh and funny stories. But most of all, Catherine loved her family. She always kept a close eye on the grandkids and she would speak her mind if it affected the kids. She loved her family and lived for her family. Rest in peace Catherine! I will be forever grateful for the support and advice you gave to me and my children (Your grandchildren) and the laughter.

“ My family have been blessed with many years with my Grandma & Grandpa and thankful for so many wonderful memories. My heart is saddened to not have them here anymore, but very happy they are reunited at home in heaven together. My Grandma lived 95 years; she loved all of her family, had strong faith in God that was inspiring, and loved sharing her stories to us that we continue to pass onto the next generation along with her good advice, life lessons and words of wisdom. She was one very special Grandma. Grandma & Grandpa Sevilla you will be forever in our hearts
