

## Geraldine Efram

October 5, 1938 - September 28, 2016

Geraldine “Gerry” Efram died on September 28, 2016 at the age of 77. Gerry was born in Milwaukee, Wisconsin on October 5, 1938 to her parent’s Lydia and Sam Jung. In Milwaukee she attended school and met and married her husband Dennis Efram. While living in Milwaukee, Dennis and Gerry had three sons, Robert, Michael, and Daniel and then moved to Goleta, California in 1972 with the “Delco migration.” For so many years she devoted her life to raising and caring for her three sons, instilling the importance of individual responsibility, caring for family, and imparting a strong moral compass. After her children left home, Gerry enjoyed travelling, going on cruises with friends, was devoted to her dogs Sophie and Porscha, and continued her life-long passion for finding the “great deal.” Her grandchildren Owen and Kaley will forever miss “Grandma’s spaghetti” as she made this special meal every time they visited. Gerry is survived by her brother Wayne Jung, her three sons, Bob(Laurie), Mike(Corinne) and Dan(Stacie), and five grandchildren, Arianna, Ben, Owen, Catrina, and Kaley. A memorial gathering will be held for friends of the family on October 22, 2016 at Stow Park Area 3 at 2:00 pm.

“ Dear Bob and family, Of course we were sorry to hear about Gerry's passing. We were close friends (Paul being a cousin too) and did see each other often before the "Delco Migration". Many Lieber family gatherings, weddings, births and bowling come to mind. Gerry was always a spark of fun and loved being a mother to her three boys. She and Denny were a source of pride to the family as they moved to Madison and she supported their efforts for Denny to gain his engineering degree. This was so long ago and yet almost like yesterday to us. Our thoughts and prayers are with you at her memorial service- blessings to all of you.
