

## Natalie - Torres

December 1, 1929 - May 14, 2017

Natalie Torres

12/1/1928 - 5/14/2017

Natalie Torres passed away Sunday morning in Thousand Oaks California after a recurring battle with thyroid cancer.

Natalie was born in Ontario California. She was one of 4 children.

Natalie is survived by her two sisters, Margaret Rubio and Alva Gutierrez. And by her five children, James Rivas, Carol Di Gregorio, Rachel Pappas, Sylvia Clark and Teresa Diaz. Natalie had 8 grand children and 4 great grand children.

Natalie was a resident of Santa Barbara for most of her life. She raised her children here and was a big part of her grandchildren's life. Natalie enjoyed walking and shopping in the city she loved, Santa Barbara.

Natalie spent her last days surrounded by the family she loved.

There was a steady stream of her children, grandchildren, extended family and friends to hold her hand, stroke her hair and tell her how much we all loved her. As each family member would visit, Natalie would acknowledge their presence with a slight nod.

Natalie would always preface any sentence about future plans with "God Willing". It was a constant reminder of her love and belief in the Almighty.

Natalie Torres will be deeply, deeply missed by her family and friends.

We love you Mom,

We love you Grandma

We Love you Natalie

“ Please accept my family’s heartfelt condolences on the loss of your dear loved one. May you find comfort in the fond memories of them, and The Almighty God’s promise to restore those asleep in death to perfect life on a paradise Earth, as written in The Bible for our comfort.

“ I met Natalie through her daughter Rachel Pappas 35+ years ago but I also had the pleasure of doing her hair for many years. When she would come to have a perm (she loved having a perm) she would always bring a change of clothes to change in to. She was a tiny lady and I always seemed to get her back sopping wet. She was so cute and would laugh as she announced to me that she hadn't forgotten to bring her change of clothes with her. She was always so sweet and I will miss her. My heart goes out to her family. I know they will all miss her dearly.
