

## Robin Lynn Brous

January 4, 1958 - September 14, 2018

On the evening of September 14, 2018, Robin Lynn Brous, 60, peacefully went to be with the Lord. She was born January 4, 1958 in Santa Barbara CA, the daughter of Winnie and Richard Giacomotti. She attended Bishop Diego High School and graduated from Santa Barbara Business College; after which, she gave 35 years of her career to UC Santa Barbara.

While in college, Robin's brother played on a little league team coached by Greg Brous. After receiving a gift card from the team to Chuck's Steakhouse, Greg asked Robin if she wanted to share the card with him. She said yes and the rest is the history of true love. They married on February 14, 1981 at Our Lady of Sorrows Church in Santa Barbara and shared the next 37 years together creating a family and making traditions. Among her children, her precious poodles Tammy, Joey and Jewels held a special place in her heart; she was a pure lover of animals.

Robin's hobby became her family, and she couldn't live without sports and chocolate. When she wasn't cheering on the Cardinals, Royals, and Angels or watching her beloved Chiefs play, she enjoyed books, solitaire, and puzzles. Robin never missed a sports game that her children played in or a movie on the Lifetime Channel. Her favorite places to eat were Mama's Fish House in Maui, Natural Café, The Habit and Rudy's; however, the homemade enchiladas she made with her daughters was her preferred meal.

The holidays were her favorite times of the year. Robin enjoyed having the family over to celebrate, and loved decorating. Easter baskets were always made, trick or treaters were always welcome, and the space under the Christmas tree was always full. In 2013 Robin and Greg bought a ranch, and moved to Santa Ynez. Shortly after, she retired from UCSB. She was a loving grandmother the last 12 years of her life and cherished every minute. Robin's heart and soul went into loving her family and making everyone around her feel special. She was selfless, hilarious, and beautiful inside and out. Robin was preceded in death by her mother Winnie Giacomotti. Robin leaves behind her husband Greg Brous, her father Richard Giacomotti (Anne), children Janelle Hristov (Hristov), Jason Brous (Keena), Lauren Kerr (Sean), and grandchildren Thomas, Sophia, Stefan, McKinley, and Kyson.

“ Robin Timewell was my first love.... we were in 7th grade and while it's just young puppy love way back then i would walk her to school and home from school everyday .... Her Mom had her go to school at Bishop Diego and naturally we lost touch ... I just got to know her as this very kind sweet and thoughtful person. Even though we have not been in contact for 40 plus years I am deeply saddened to hear she has passed away .... Gods comfort and Peace for her Husband and children,her brother David and all who knew and loved her !

“ I had the pleasure of knowing Robin because of her beautiful daughter, Lauren. Sean met, fell in love, and married her, making Lauren a part of our family, and the daughter we never had. Robin was a kind and caring person who always had a gentle smile for those around her. I will never forget how she made me feel included in the planning of Lauren's wedding and in the shopping for her wedding dress, though Lauren had it all organized! We are deeply saddened that she is no longer with us, but know she will be in our hearts forever...
