“ *Our family is devastated that we learned of your passing so many months afterwards and never had the opportunity to say good-bye and let you know how much we loved and cherished you. These past few days have been heartbreaking...trying to grasp on to whatever information we could, but we are praying you were blessed with family by your side during your last days on earth. We wish we could've comforted you as you always did us...but are confident with all your faith, you are in peace, resting in HIs kingdom. You were a blessing in our lives and will never be forgotten in our hearts. Memories of all the time, nurturing and love you brought to our lives will forever be stored in our hearts. May you rest in peace, our loving grandma, Albina. Love always and forever, Susie Q.*
