In Loving Memory of Allen “Al” Kumm

1935 – 2025

Allen “Al” Kumm passed away peacefully on May 15, 2025, just days after celebrating his 90th birth-day. A life well-lived, Al leaves behind a legacy of love, service, and joyful community involvement.

Born and raised in Shawano, Wisconsin, Al was a proud graduate of the Milwaukee School of Engineering. His career took him into the world of advanced technology, where he worked in the electronics division of General Motors, contributing to military projects until his well-earned retirement.

While his professional life was impressive, it was Al’s love for family, church, baseball, and community that truly defined him. He was a devoted member of Good Shepherd Lutheran Church, actively living out his faith through service, fellowship, and participation beyond Sunday worship. A lifelong fan and player, Al’s passion for baseball and softball was infectious. He played on local teams for years and remained active well into his later years, earning a place in the Senior Softball Hall of Fame in 2007. His love for the game didn’t stop on the field—he shared it with generations of young players as a founding member of the Dos Pueblos Little League and longtime coach of the Cubs. Al also had a talent for building and fixing, always happiest with a project in hand. Whether it was improving his own home or lending a hand at his children’s houses, he was the family’s go-to handyman—always generous with his time and talents.

Al is survived by his beloved wife of 64 years, Carolyn; his brother, Gary; his children Shay (Robin), Lance (Coni), and Mark (Jennifer); and his cherished grandchildren, Anikka and Everett. He was deep-ly loved and will be dearly missed.

Memorial arrangements are pending. In lieu of flowers, donations in Al's name can be made to Dos Pueblos Little League.

Rest easy, Al. Your warmth, spirit, and steady presence will live on in all the lives you touched.
