“*Mary Ann, we were sad to see the notice of your mother's death. We had gotten to know your family by sitting in front of you in the pew at St. Raphael Church. You had at some time worked at the rectory where I brought deliveries or requests from the school. We used to meet frequently at Costco with your mom . Your dad always made me smile as he would have some interesting comment. We missed him when he died. We take for granted our everyday friendships. You really are a wonderful daughter to take care of your mom with such love. She was a lovely lady who would have a smile for us and conversation. We will keep her and your family in our prayers. Love and prayers, Terri and Jim Ambrose*
