“Linds an Bobby, Paul and I are so sorry to hear of Bob and Bevs passing. We will always cherish the memores of these two wonderful people. We were so lucky to have you all as friends and neighbors. Oh the memories!!! We had so much fun! They will be missued dearly. We know they are up in heaven with our folks playing golf, or maybe organizing one of those famous block parties! Our love to you all, Paul and Lysa Woodburn
