“ Two Years”

*It's been two years and nothing seems the same*

*All we have left are your memories and name*

*We talk about the good times like you're right by our side*

*We speak of you by name like you have never died*

*You may not be here to physically touch or to feel*

*But, the feelings we get are certainly warm, kind and real*

*Two years have gone by, but not without tears*

*Days seem like months and months seem like years*

*It's a journey we've started with no end in sight*

*We do alot of things, but nothing seems right*

*I just can't explain all of the feelings I get*

*I get happy and sad and joyous and upset*

*There is no single road in this journey we have taken*

*But every road is uphill and our wills sometimes shaken*

*We just keep moving on with your memory as our spark*

*To light up our hearts and to fend off the dark*

*Someday we will see you and meet once again*

*And that will be the beginning not just the end*

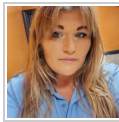

*So until I see you I want you to know*

*We all miss you dearly since you had to go.*

*Miss you brother! Love Jenn*

“ Today marks 8 months since you have been gone brother. It's getting harder every day but we are somehow managing. We miss you all the time but we find laughter remembering all the funny things you used to say and do. Give us strength today. And remember to save us all a spot in heaven. Love your Roach.

“ *Brother, you came to me in my dream and told me you were in heaven. I believe you are there watching over our whole Chevy Chase family. Although we are broken and things will never be the same, we are getting closer and we are all sharing memories of you. I'm constantly thinking of you and seeing your face in my kids. I wish I could hug you one more time and quote movies with you. Until we meet again, follow me through my journey and guide me. I love you always. -Your little sister, Heatheracha (Roach)*
