“ We have lost a very special and caring soul. Cecil was a loving husband, fabulous father and a great Father In Law to me. He will be dearly missed. Mike, Nancy and Beth, you have my love and support and I am truly sorry this important part of your family is now missing. He is in a better place and will always be with you.

Love,  
Danna

“ No words can truly comfort you at this time of great loss. You may find some solace in the fact that Cecil is no longer suffering. Our thought and prayers are with all of you during this difficult time. Cherish all the wonderful memories you shared.

“ It is with great sorrow I say good bye to my friend and second father, Cecil. He will be greatly missed by all who knew him. He was so special and touched people's life in ways he never knew. I will always remember him by his sense of humor and zest for life! He lived life to the fullest and always put his family first! Beth, Nancy, and Michael, I am so sorry for your loss! I love you all!

*How do you say good bye to someone that meant so much to you? How do you find the words to express how empty you feel? How do you comfort a grieving family after saying good bye to their husband and father? These are all questions I am asking myself. I am finding the answer in you Cece. Your compassion and love for your family was unwavering, unselfish, and endless. Your love for you two Grandsons will be remembered by them forever. Your love for your own daughter and son was so unconditionally given. Your love for Beth and passion for life you shared with her was so amazing to witness. Your endless love for your Lakers, and UCLA was fun to tease about. Our time together on the golf course, at Christmas time, and at the Kings games we attended together I will cherish for ever. Cece, you gave me the greatest give a man could ever receive, you gave me your daughters hand in marriage. Your encouragement for our success made us the people we are today. I have so much more I want to say, but I still need some time to let you go. I promise you I will make sure Beth is loved and well taken care of for the rest of her life. My Heart is heavy, but I am comfortable knowing that you are now in Paradise at God's side. I love you Cece, and will miss you everyday until I stand by you in Heaven. God Bless you Dad!*

Dad,

*Happy times come and go, but memories last forever.*

*I miss you when something really good happens, because you're the only one I want to share it with. I miss you when something is troubling me, because you're the only one who understands me so well. I miss you when I laugh and cry, because I know that you are the one that makes my laughter grow and my tears disappear. I miss you all the time, but I miss you the most when I lay awake at night and think about all the wonderful times that we spent with each other for those were some of the best and most memorable times of my life.*

*I learned that things change, people change, and it doesn't mean you forget the past or try to cover it up. It simply means that you move on, and treasure the memories*

*Goodbyes are not forever  
Goodbyes are not the end.  
They simply mean I'll miss you  
Until we meet again!*

*Good bye my old Friend!  
Love  
Michael Ray Sexsmith*
