“ Dear Pam, I was so sorry to hear of Dave's death, and wanted to express my sincere sympathies to you and the family. I had the pleasure of knowing and working with Dave for 13 years. He was one of the most hardworking, honest men I have ever met, who paid close attention to every detail. What I admired most about Dave though, is that he would make time every day, to stop what he was doing and call home to his wife and tell her he loved her! Dave will be greatly missed, and know that my thoughts and prayers are with you and your family at this difficult time.

“ I am heart sick to learn of Dave's passing today. We worked together for years. He so looked forward to retirement, to slow life down a bit and enjoy it more. We used to talk about what we would do when the anticipated time came. I will miss his always happy spirit. God bless you my brother as you enter the presence of our Lord and Savior Jesus Christ. And God bless your wife Pam and family as they journey through this season without you. 1 Peter 4:8

Pam and Family: I am so very sad to learn of David's passing. I have known David since birth, my mother Ruth and Lee were best friends and we all grew up together. I remember how sweet and easy to get along with David was as a child, It is hard for me to fathom that he is gone. God Bless you Pam and have a happy journey David my long time friend. Patsy Krebaum
