

Dennis Trujillo

August 31, 1984 - May 27, 2013

Cherished son, brother, and uncle, Dennis Trujillo, 28 years old saw his last day on May 27, 2013. U.S. hero, born and raised in Santa Barbara gave his life for his country and still continued this selfless act even after by donating his organs. At such a young age he accomplished more than most could even fathom. If there were only enough words that we could string together to explain to him how grateful we are to be able to call him family, friend, and comrade. Dennis was always there when anyone ever needed him; let's honor him by doing the same. Whether it be a small act of kindness or greater, honor his memory in this way. You are loved and will be missed by many. You will always be in our hearts.

"All solution is temporary, Augustus shot back. I bought them a minute. Maybe that's the minute that buys them an hour, which is the hour that buys them a year. No one is gonna buy them forever, Hazel Grace, but my life bought them a minute. And that's not nothing."

-John Green, The Fault in Our Stars
