

Dolores Messori

January 15, 1929 - July 3, 2016

Dolores Messori, born Jan 15th 1929, passed from this world July 3rd 2016 at 3:10pm in her daughters arms surround by her loving family. She is survived by her beloved husband of 65 years Rolando Messori and her three children Roland Messori, William Messori & Maria Cristina Berg. She has a six pack of grandsons Tyson, John, Billy, Andrew, Anthony & Joey who cherished their Nona. She returned that love with all her heart.

Dolores was an amazing mother and wife that held her family together with her love, patience and courage. She taught them what it is to be family and how to take care of each other.

She was an amazing cook and held frequent family dinners where we gathered to share that love. Her apple pies were the family favorite everyone found room for even after a huge meal. Dolores was an avid reader of books or anything she could get her hands on. She collected many things but some of her favorites were roosters, elephants and Faberge eggs.

Dolores traveled the world and lived everywhere from Scranton, Pa (where she was born as a coal miner's daughter) to Italy, Argentina & Lebanon. Packing up her family, with no complaint, to follow her husband's work as a chemical engineer.

She was the glue that held this family together and she will be greatly missed by not only her family but anyone she touched. An amazing person whom we always thought of as a saint is now an angel.
