“ Hello dear family of your mother. You may not remember me... Sally Joseph, and I stayed with you when you lived in the Valley. Our mothers were good friends and I miss them both. I have wonderful memories of my time with all of you and that's when I had my first taco! Your mom was making them for dinner.. amazing!! Your mother was so nice to me and a fabulous cook. I wish I could have seen her before she passed.

Sally Joseph - May 12, 2024 at 03:17 PM
