“ I knew Eloise from many years at Gilbert and Sullivan company in Santa Barbara. I can still picture her wearing the same one tee-shirt while she was pregnant -- beaming and beautiful, and all the while coming up with wonderful dance routines for us despite her cute belly.. Her gorgeous attitude lead the way. She is missed.

“ I just heard about Eloise's passing from our mutual friend, Laura Osegueda. Eloise and I attended Moreau together and remained friends for many years after. We lost contact but I never forgot this lovely, funny, incredibly brilliant woman. The world has lost a great light and I offer my sincere condolences to her family and friends. Eternal rest grant unto her O Lord and let perpetual light shine upon her. May she rest in peace and rise in glory!

“ I'm just learning of the passing of my sweet Friend, Eloise. It is with a heavy heart that I offer my condolences to the Family. Having met in 3rd grade at St. Edwards, we were life-long friends staying in touch by phone and cards while living on opposite Coasts. I'll deeply miss her.
