“ My Deepest Condolences to the Family 🙏 Vera is now resting in peace with her heavenly family. I have so many great memories of Vera... her spaghetti was the best 😭🌀 when my sister and I would spend the night, that was always our request!! My last visit to Santa Barbara, Vera took me to her bedroom and omg 😱 she has soooo many genie bottles. She said Linda these are my pride and joys!! Vera said I've loved you and Lisa like my own and I want to give you each a bottle. We hugged, cried and told each other how much we loved each other. Vera then picked a magical loved bottle and handed them to me. I will forever cherish the bottle ❤️❤️ RIP our sweet Angel. You will truly be missed but never forgotten ❤️🙏
