

Erik Armando Palacios

April 1, 1981 - April 4, 2015

Our beloved Erik Palacios, born April 1st 1981, left the earth to be with God on April 4th, 2015. Erik overcame adversity and finished number one. He fought for his life on a daily basis. Erik dealt with a very serious illness but his inner strength, faith and the love he had for his family helped him to have a life that was meaningful. He never asked God to cure him but to give him the strength to live the best he could and to be able to help others. Throughout his life he fought many battles and managed to always stay positive and optimistic. He was a fighter until the end.

Erik loved life. He had big plans for the future. He was a courageous, spunky, strong and intelligent young man. The type of person who left you with a sense of worth and encouragement after you talked to him. Erik will always be remembered for his beautiful smile. His love for life and his family was undeniable. He is survived by the most important people in his life, his mother Laura Ruiz, sister Liliana Palacios, nephew Michael Palacios, niece Anjella Palacios and his fiancé Annel Valdez. Erik is now reunited with his brother Arturo Palacios in the heavens above.

Although our hearts are deeply saddened by his passing we take comfort in rejoicing in the memories he built in each of our lives.

“Life isn’t easy, but it sure is worth living”

“ Erik, you were one of the strongest people I knew, you were always optimistic, polite; you had so many good qualities, besides being so good looking. It hadn't been long since we texted each other, my heart is breaking for your Mom, she always supported you with so much love that only a Mother can know. I will miss you so much.
