“ *Esther, was my "adopted mom", spiritually and emotionally. When ever I would have trouble, I knew she would ease my mind and have God's words for me. We had so many memorable times, it's hard to mention them all but what I knew is that she would always be there for me with open arms. God bless you mom, until we meet again, I know you will be there, again with open arms to great me into eternity.*

“ Dear Orozco family, We were sorry to read about the loss of your mom and grandma, Esther. She always had a sweet hello and smile for us when we would go by on our walks. The neighborhood has lost a special lady. We can picture her up with the Lord and her love, Joe, though. We pray the Lord will comfort all of you as you grieve her presence and love. Dennis said her service was beautiful and touching. I'm sorry I as unable to attend, due to work committments. God bless you all.

“ To the Orosco Family:

I am at a loss for adequate words to express my sadness for you. I had the blessed opportunity of knowing your mom and I know heaven just received one of the most special angels. Elaine you are a reflection of your mom in the way your treat people with respect and empathy. Not to mention the way you make each person feel loved. The House of Judah will miss your Mom, but will honor her as an elder of the church. I am so sorry for your loss.
