“ Dear Goudeau Family, I wish to sympathize with you all on your great loss of a dear dad, grandfather and great-grandfather. Our family has many happy memories of Gene from times spent together on Payton Street at your house for some of that great southern food. Gene was a generous and gregarious host with such a wonderful laugh. He made us feel most welcome when we came to visit and was a dear friend to my parents. Such great memories of camping at Lake Lopez, taking us fishing and then learning to clean fish for the first time. I can just see Gene and Gladys sitting in their rocking recliners in the living room, and imagine a little Chihuahua barking and running around so excited. We will miss him. Must love to you all, Elaine ("Lainey) Carralejo-Georges
