# Tribute Wall

“ In 1987 I did time with your India, it was the worst time in my entire life, no one understood the pain I was going through, she stood in the gap for me, looked out for me, and gave me the strength to get through my pain, I will never forget her agility to bring someone out of there depression. I did not know she went to be with the Lord, but one thing I do know is they got one strong angel up there in heaven. Love you India and you will always be appreciated in the heart...

Your friend Maria~
