“ Sandy was a special lady. I already miss her. She would come into the hospital Administration office and visit with me every Monday. I visited her on her last day in the hospital and told her I missed her. Her reply was "I'll be back, just look around for me". We're all looking Sandy. My condolences to her family.

“ Sandy changed my life by giving me the courage to teach swimming at the YMCA. Her sense of humor and wonderful ability to teach children and put all around her at ease was stunning.
