“ We have so many wonderful memories of time spent together in Canada, Sedona, the Grand Canyon, Hawaii, and, of course, Santa Barbara, Cambria, Carmel, Solvang, Ojai, Disneyland, to name a few of the many places in California.. The welcome mat was always outside the door for visitors. She loved to entertain and was a great cook. .

Grenda was always on the move, working full time, entertaining, travelling. She did not slow down in retirement. There was the Santa Barbara Women's Club, the Red Hatters, the opera group, the gourmet dinner club, water aerobics, tap dancing. She was a docent at the Lobero. She even rode in a parade!!

Grenda loved all animals and she faithfully fed her blue jays peanuts every morning in the backyard. She took care of dogs while the owners were on vacation.

Grenda was blessed to have a loving husband who faithfully took care of her. Hers was a life well lived. She will be missed but the happy memories will last forever.

“ *My first sight of my new aunt Grenda was when she was 25 or so, a gracious beauty with a radiant smile who seemed doubly exotic to little me in Toronto as (a) an American ! and (b) the tamer of my dashing Montreal bachelor uncle Bob. A wonderful woman. I cherish her memory.*
