“ One could not ask for a more friendly and kindhearted neighbor. It was an honor to visit often with a man who was beloved by his family and friends. Hal's kind demeanor was passed to the next generation as well - each of his kids exhibits the same friendly, outgoing warmth as he did. We will have the privilege of remembering a man who was cheerful, engaging, and always quick with a kind word.

“ Hal was a pleasure to know.
The first time you met him, you knew he was dedicated to his family and his church.
He was an extremely unique individual in his ability to balance his people skills and his technical skills.
Hal always had a great rapport with his customers and a knack for developing newer fellow employees to be more effective and successful at their job and in their careers.
He was always a competitor, but a gracious one, at everything he attempted, both in his business career and in his love of the sports of golf and tennis.
We will always remember his spirit and his smile.

“ *My deepest sympathy to all of Hal's family. He will be missed by many. We always enjoyed his company, and shared a few games of tennis together. Sorry that I can't attend the funeral service because we will be celebrating our grandson's birthday (5) in Sacramento on June 14th. Vernon Hanna*

“ *Ruth Ann, Tricia, Harold, John and Daniel - Our deepest sympathy to you and your family in this time of loss.*

Your dad was kind enough to be my Confirmation sponsor when I was young. My Dad, Harold and I shared some fun times with him chasing balls around several area golf courses. Your dad and your mom were patient, loving, cheerful people who I will always remember as friends and with great fondness.
