“ *Patty and Family, My sincere condolences in the loss of your beloved husband and dad Hank. I worked with Hank in Santa Barbara when he was on loan to Facilities, where we became friends. He was so helpful in helping me learn and understand how to do a job I had no knowledge of. Because, of his helpfulness I was able to finally after some time know what I was doing. I will forever be great full to him for that, and all the laughs. I will miss the E-mails he has shared throughout the years. I was the one who made sure he got the new State quarters back in the day when they first came out we thought we just had to have them all for what ever reason. May the memories of Hank find you peace and comfort.*

Sincerely, Linda Roth
