I have so many memories of my dear friend, Karen's , loving mother who I met about 40 years ago. Karen and I were always such energetic young women involved in so many activities and Janet was always calm, loving and made me feel loved and comfortable whenever I was in her presence. She is the woman many of us strive to be like, kind, loving, intelligent, generous, and beautiful. About 10 years ago, she taught me how to knit one afternoon while I was visiting with Karen. What seemed like a simple gesture perhaps turned into quite a love of mine. I began knitting scarfs and perfecting them for my friends and family and soon , I had a wait list of loved ones who wanted to know " when I would have their personal scarf completed ! " Sending love to the entire Langley family.

I will certainly miss her. Even though it has been several years since I have seen her, I have had thoughts about her every day. Send my love and thoughts.
