*Our beautiful beloved friend Joanie, we have had thirty six year wonderful years of friendship, which should have been much longer, but you were taken from us far too soon. We have shared and gone through so much together ~ ~ ~ Heartbreak and happiness, illness and good health. We have laughed like schoolgirls and cried together. We are cancer survivors and so much more. Never, in a million years did I think you would be taken like this. Our friends that have met you are too in disbelief and have shared lovely memories of the best times spent with you at our house... Christmas, Easter, Birthdays, Anniversaries and everything in between. You have shared such funny and happy times with our friends from England, Canada and beyond. You will be missed more than words can say. They have all had wonderful "Joanie stories."*

*I already miss your voice, your emails, your laugh and of course your caring. I cannot bear the thought of not seeing you, not just on these special occasions, but for all times.*

*We shall love and miss you so very much and you will remain in our hearts always.....*

“ Sweet beautiful Joanie! So many wonderful memories! Water skiing trips, Dodger games, cooking lessons and just spending time with you and my adorable little cousins Dani and Jake! Those memories we be with me forever!!!One of My fondest memories was when I asked you to be my Confirmation Sponsor and without hesitation you said yes! You promised me that if stopped biting my nails you would take me for my very first manicure! I did and you and I had a manicure together and then you took me shopping for my confirmation dress! 💕💕

💕💕 you are forever in my heart!!💕💕love you❤️
