“ *I was sad to learn that my Sensei, Kenji Ota, my coach and friend, has passed away. He touched so many lives over so many decades through martial arts and dance. In my life, he will continue to be the voice in my head that encourages me to push one more mile, to give that extra effort in the face of any challenge, and to be a living memorial for the things he taught me. I already missed him, but now I'll miss him even more. Thank you for being such a great influence in my life, my Sensei, my master, my friend.*
