Thinking of you today and stopped by to pay my respects and give condolences to the fam. Thank you for watching over Becki, Jeannie, Karla and me at all the Cabrillo dances and the house and beach parties - you and Munroe were the best play brothers we could have. I hope you had a blessed life - I see from the posts that you had grandkids and that you were a great father and grandfather. Your kind spirit lives on - Bless your Soul in Heaven. All my best, Ruthie
