

Lexi Angelina Krasnoff

September 12, 2008 - February 10, 2012

KRASNOFF, Lexi Angelina

Lexi passed away at Cottage Hospital in Santa Barbara on Friday, February 10 at 4:30 PM. Lexi was diagnosed with AML Leukemia one week before her second birthday and died at the age of 3 after a more than courageous fight.

Lexi was our sweet baby girl, who we loved more than anything else in the world. She was always affectionate and at times brutally honest.

She loved to go to "gramma" and "grampas" house and play in the garden where the strawberries grew especially for her.

We would talk about how Lexi couldn't get any cuter when she was a baby, but as always Lexi proved us wrong. She would capture everyone's heart with her loving smile and spunky personality. We would steal kisses and hugs from her whenever we could.

Lexi was daddy's little girl and best friend and our most cherished love.

Lexi loved the beach where we would make sandcastles for her to smash. Lexi also loved swimming at the pool and "spinning like spaghetti" while singing "Tomorrow" from the movie Annie as loud as she possible could.

Our sweet little Lexi's favorite thing to do was to play with "her kids" in our neighborhood. She will be dearly missed by all of them. They took such great care of her and treated her like the princess she truly is.

Lexi's little brother is unfortunate to not grow up with the greatest big sister you could have. They always made each other smile. Lexi loved to tickle Caleb "coochie coochie cooch"!

Although we are beaten and heartbroken we are happy for Lexi because she does not have to be in pain any more.

Lexi, we will always love you and be together just like we promised each other.

Lexi is survived by her baby brother Caleb, Mother Kathrine and father Jonathan Krasnoff.

A memorial service will be held on Saturday, February 18 at 11 AM at South Coast Church, 5814 Cathedral Oaks Road in Goleta. We're celebrating Lexi's life and kindly ask guests to not wear black only.

In lieu of flowers, the family kindly ask for donations to be made to the Teddy Bear Cancer Foundation.
