“ Mom,

*I will love you forever and I will miss you so much. You were an extraordinary woman full of life and laughter. I will miss having a glass of wine with you when I came over to visit and buying birthday presents for you. You always told me you liked the clothing I bought for you. The pinks looked so good on you with your beautiful white hair. I will always think of you when I wear pink. Rest with no pain, visit with Richie and your mother, sister and past ancestors. I will join you when it's my time.*

*Love from your daughter,*

*Lilia*
