“ *Tia Maria, Touched my life so profoundly, my entire life. Her LOVE was felt by everyone in my Family. My Daughters and Sons always enjoy the Ramirez Reunions and came away with Smiles of Joy from the LOVE my Tia Maria always shared. My Tia as my wife Rosa said " An Angel on Earth is NOW TRULY an Angel in HEAVEN. She will Truly be missed but will FOREVER Live in my Heart. Isidro Ramirez Garcia*

"Hija De Carmen Ramirez-Garcia" My name is Socorro.....Tia Thank you for all the wonderful childhood memories and the awesome kisses you gave me and my children. I remember my father driving us from East LA to Santa Barbara for the weekend. All 11; yes 11 of us my brothers and sisters; my father & mother (Carmen Ramirez-Garcia). Their faces said it all they cherished watching us (cousins) playing in the orchard's - and getting into trouble. My beautiful loving Tia from the bottom of my heart I want to send a VERY special thank you for being by my mother's bed side and taking care of her in her last days on earth; but then again that's the kind of awesome women you were. Tia te quiero MUCHO!Te voy a extrañar-con todo mi AMOR TU Sobrina Socorro Ramirez Garcia Marquez

“ Mom, you have only been gone just a short while, and already we miss you terribly. I can honestly say that we were, and are, the luckiest family in the world to have had you as our matriarch.

You have never been selfish with your love. It was not just reserved for your immediate family. You had so much love in you that you were able to spread it around to hundreds of other people. That was always obvious to everyone, and we always noticed it, and were happy to share your love with others, and actually very proud to do so.

I have never met a less selfless person as you mom, and I doubt I ever will. If I do, it will be a miracle,

Nikki said such a beautiful thing right after you passed, and it couldn't have been put more perfectly.....she said...."Today, around 3:15, you left us to be with the angels, with a cross in your left hand, and your husband's hand in your right, your family by your side. You went peacefully, as you wanted it. We love you and miss you so much.....<3 RIP Granny <3"

We are happy and grateful that you are pain-free now, and that you are with Little D. She will keep you busy, hahaha.

We all appreciate everything you did for each and every one of us. We will be fine just knowing you are with God now and will be watching over us.

We love you so much mom. We miss you so much. and we THANK you so much. We will all see you when God wants us to, but you are still with us.

Your Loving Son, Gil and Family

“ *I thank God for letting me get to know my Tia Maria. When she talked with me she made me feel special by looking into my eyes and smiling. The thing I remember the best was how as kids when we went to visit she would always make us pancakes for breakfast the next day. It was better than Denny's! I hope I can be just as caring and giving of my time as she was. Thank you Tia. My husband and boys thank you too. I love you Tia. Siempre, su sobrina Hortencia and Family*
