“ *Marilee hired me in 1989 and was one of the best managers I've ever had. She was so much fun and had that wonderful infectious laugh - and the chalice for wine at the Christmas parties. I moved up to the Bay Area in 1990 and still work for the bank. I internalized her way of treating people and employees as the right way to be. I will continue to keep her in my mind and all of you in my heart.*

*Cheers Marilee!!!*
