“ To Markey's Family,

This is Michael Henderson`s mother Garnetta Henderson we lived at 307 Mellifont Ave , Michael and I was just remembering the times when I drove Markey and Michael to the Ventura fair and then another time I took the boys fishing on the Goleta pier. I remember their was Markey, Michael`s cousin Latoya and Michael and maybe another one of Michael`s friends. My mother Mrs Darton raised chickens in the back yard for eggs and sometime we would eat fresh organic chicken from the back yard for Sunday dinner. And on this particular day when the children were together and playing in the back yard I wanted the children to see what it looked liked when a chicken was killed and after the chicken was dead because I chopped it`s head off, the children was screaming a little bit. Well I told them they were city children and they needed to see where home grown food such as organic delicious frying chicken comes from other than the grocery stores. Well I hope I did not bore everyone to much with this story but I always enjoyed having fun with Michael and his friends. Well I guess I had better go now. May God bless and keep your family during this very special time. We all will be praying for your family.

With Love From,

Michael, Latoya and Michael`s mother Garnetta and our family. And please let us know if there is something special we could do for your family we all love you dearly. Call Michael at (805)636-6770 or call Michael`s mother Garnetta at (805)845-9619/(626)421-8944.
