“ Dear Peter and family:  
I was saddened to hear of Mary's passing. I now live in Oregon but remember how she monitored the comings and goings at the pharmacy. I used to get the stern look for the longest time when I would come to visit you about my products. After a while I eventually rated a small smile if I did not take too much of your time. I know the sadness and loss everyone feels as I have been through this difficulty myself. I find some comfort in remembering the good times and how special a mother's love is. May god bless you all in your time of grief. Dave Johnson (Hoechst Rep.)

“ I am sorry that we were out of the country during this time. Wish we could have been in attendance of her memorial service. I worked for Mary over thirty years. One of the strongest people I've ever known, Mary will hold a place in my heart forever. Please accept our most heartfelt sympathies...our thoughts are with you and your family during this difficult time.

*Abdul*

“ *Peter & I had attended an American College of Apothecaries convention in Chicago. Our plane from Chicago was held up because of fog at L.A. International and we missed our connecting flight to Santa Barbara. My wife, Audrey drove down from Lompoc to pick me up from Santa Barbara airport. When we finally landed, Peter called Mary to tell her that we wouldn't be in Santa Barbara until 1 am. We rented a car and started driving. Mary was so gracious! Mary drove out to the airport, found Audrey and took her home and entertaining her for the two hours it took for us to drive to Santa Barbara.*

*Our condolences to the family*

“*Mary Caldwell never failed to brighten my day, no small task when so many stops at a pharmacy are necessitated by various ailments, some quite debilitating. We had good chats and I appreciated her kindly interest in me. And her intelligence and wit, of course. And just her lovely presence. I have missed her a lot since her departure from the pharmacy, and am now saddened to hear she is no longer with us. She was old school, and I held her dear. Best to Peter and all the family. Rebecca Hardin*
