“ Love and prayers to bye Berumen family. I will share this with my brother Peter Guzman, who now lives in Tacoma, WA, as Mr. and Mrs. Beruman are his Godparents.

“ Our sincere condolences, love and prayers are with the family. As a child I have found memories of going to Santa Barbara and visiting "el Nino and the Nina" with the family (Alonso and Liba Dominguez Molina) in th 60's. I always thought of him as family. He was our "cool, and classic Nino".

The last time I saw "Nino and Nina" was in Chelem Beach, Merida Yucatan in 2006. We were celebrating my mom's 86th birthday. "Nino and Nina were gracious to come to the beach house and celebrate with us mom's birthday, like "old times". We had a long visit and great time. I have attached a picture of Nino with the family. Our prayers and love are with Nina, Carolina, Miguel, and Margarita and the rest of the family.
