“ Nick & I used to catch up on the latest news when we would occasionally meet at Ralph's while grocery shopping. His nephew Joey & I worked together for several years and he informed me of Nick's passing. Having lost my wife almost exactly three years ago I know the emptiness that one feels upon the loss of a loved one. Although Nick & I were not really close despite living only a few houses apart, I always enjoyed our conversations at the grocery store and I was grateful to have such a decent man as a long time neighbor. My sincere condolences to Jan and the entire family for your loss. There is no doubt that Nick will be missed by all who had a chance to interact with him. He was definitely one of the good guys.

“ My heart is so heavy today after hearing that Nick has passed. I will always remember him as one of the best coworker I had at MTD. My heart goes out to his wife of many, many years this must be a great loss for you and your family. You did such a great job all your life working for MTD, you deserved many more years of retirement Nick. Thanks for being such a great human being. Nancy Curtis

My condolences to Nick's family. I am so sad to hear of his passing. I worked with Nick at MTD from 2000 to 2009. He was always positive and caring for his passengers and his coworkers. I knew his brothers, John and Vincent many years ago and as I miss them dearly I will miss Nick just as much. Richard Pico
