“ *Nina was always a breath of fresh air No matter how good or bad she felt and tried her hardest to make the best of every situation..I miss her more and more everyday.But all I have to do is close my eyes and tell her how happy I am and relieved that she's feeling better and able to watch over her children the way she wished she could.. Miss you sweetie..*

I remember when we were early teens and you spent the night a few times. We listened to oldies and Art Laboe 🎵
