“ Patti exemplified real love and all the joys that life can bring. She was ready and happy to help in any situation. She taught a row of non-dancers how to do the can-can for a benefit party. She lived by the principle, "He who has a thousand friends has not a friend to spare!" She shared her wonderful family with parties at their home...sometimes a surprise party honoring a friend. Knowing Patti brought a rich happiness and blessings into many lives. She elevated every situation with her grace. Blessings to her wonderful family,

I got to know Parri when she and Bob came to so many functions for CMA and IMQ. She was always so upbeat, warm, and supportive... able to put a positive light on everything. I am so sorry to hear of her passing... she was truly a bright light who will be greatly missed. Our deepest condolences to the entire family.
