“ *This is such a sad time. I want to say I am so sorry to all of Uncle Ronalds family for the hugh sorrow you must be feeling right now. I will never forget Uncle Ronald and Aunt Mardell coming to the hospital when my mom had had heart surgery. They both were such a tremendous support to me. That is the kind of person he was. Always wanting to help others. We had such fun times at the beach house too. Spaghetti dinners were always memorable with all of us crowded into mom's small kitchen. He and my mom were very close. They were brother and sister and I loved to hear the stories about their adventures when they were younger like the time my mom and a friend abandoned (not by mom's choice) Uncle Ronld at Mt Rainier and he had to hitch a ride home. I am keeping you all in my heart and in my prayers. I would like to say a very special thank you to Jaimie for keeping all of us in Washington informed over the last couple of years throughout Uncle Ronald's illness. It is hard when you live so far away and think about your loved ones and wonder how they are doing. Take care, Love to all, Karla*
