“ *My heart breaks to hear of the passing of Ms. Bell. I have very fond memories of Rose. When I used to flamenco dance with Cruz Studio, I would perform with Shannon and Bonnie and Rose was always there to cheer us on with her wonderful personality and beautiful smile. Rose would be dancing in the audience and support us ladies in any way she could, she probably could of been dancing on stage with us! I also loved to see her driving her little bug, that car was so cute and she cruised it well! I celebrate you Rose and remember the good times and memories I shared with Shannon! Rose you will be missed, and I hope you are dancing and smiling in heaven! Heaven gained a beautiful angel!*

*To the Bell family, Thinking of you with heartfelt sympathy, in this time of sorrow, my thoughts and prayers are with you all!  
Respectfully, Rachel Robledo*

*My condolences to the Bell family. Rosemarie was such a a great  
coworker. Rosemarie made working a joy. She had some much  
knowledge on music. When every I had a question on music, she was  
the first call I made. I will always cherish our time together. Rest in  
peace my friend Rosemarie.*

*God Bless 🙏*
