“ *Aunt shahana! I LOVE YOU and miss you SO much! I hope that you are my guardian angel for everything in my life to line up to get my kids back. You know how I LOVE them dearly, and I'm glad that you don't have to witness this sadness. I know you are watching from a better place! I've seen you, as you know in my dreams a few times, and you were happy...smiling with that beautiful, angelic, classic look that you had. You're an amazing person and I had the blessing to have you in a very rough time in my life. You've taught me a lot about the LORD, and there will never be another person like you! No matter what, you loved the LORD, and I knew HE LOVES you! I love and miss you so much! R.I.P. love ciefish*
