“ Awwww... Nanci, Dan & I are so sorry to learn of the loss of your precious Dad. Stan became not only our real estate agent but our friend back when he helped us buy our first house in 1987... and we bought & sold 3 houses after that, all with Stan's help. He was always generous with both his time & talent... and we trusted him without reservation. The world is an emptier place knowing that Stan isn't walking on the earth anymore... but he will be one of the very first people we look up, when we get to heaven. We can't wait for the joyous reunion. I'm sure Stan will be the selling agent for those "many mansions" the Bible talks about!!! :-) Lovingly & with much sympathy~ Dan & Andrea Will

“ I have known Stan and the Eisner family since 1979 having moved a few doors from where they lived. I knew Stan to be a gentle soft spoken man who was very likeable and easy to be with. Before they parted ways, Stan and Vicki were visitors in our home and we in theirs, socially and for dinners. He liked to fish and I felt sorry for him when he contracted neuropathy and he would come to the Northwest Athletic Club and exercise hoping to restore feeling in his feet.

I understand the loss Nancy must feel as I just lost my remaining brother which was a blow. I hope Nancy reads this and knows that her friends are as close as her telephone and/or email.

Best to you always, Nancy !
