“ *I worked with Su and feel so lucky to have known her. What a wonderful, strong, positive, kind person she was. I know she had been through so much but you never heard a complaint. She always greeted you with a wonderful smile. I enjoyed all her positive quotes on Facebook along with pictures and comments about her very special Cody!! It just doesn't seem fair that she is gone. We all need to keep in mind that life is precious and short!! Make the most of everyday. I will miss you Suzy ~ Judy Lightbody*
