Thelma Wilkes

July 20, 1924 – November 20, 2013

Thelma Wilkes made her transition peacefully of natural causes at her home on Wednesday, November 20, 2013. A native of El Dorado, Arkansas, Thelma was the twelfth child born to Lucy and Robert Benson. She graduated from Smackover Training High School in Arkansas. In 1944 she relocated to Berkeley, California and married her late husband, Rev. L. Leander Wilkes. The couple remained married for 61 years. To this union, five children were born, Deidre Gail, Lucy Naomi, Leonard Bruce, Jamaal Keith and Leo Benson. Two children, Leonard Bruce and Lucy Naomi preceded her in death. Thelma furthered her education in northern California before relocating to Ventura, California in 1959. She became a congregant at Olivet Baptist Church where she served as First Lady for ten years, was an active member of the local Parent Teacher Association (PTA) and Church Women United. She also enjoyed volunteering with numerous community organizations. In 1965, Thelma was honored as “Mother of the Year” for Ventura County. In 1969, her family moved to Santa Barbara, California where she served as First Lady of Second Baptist Church for 35 years and thereafter remained active as a church Mother and with the Women’s Ministry. Thelma was employed for 25 years at the University of California at Santa Barbara working in accounting, the Educational Opportunity Program (EOP), and financial aid until her retirement in 1991. She believed working with students was a

wonderful experience and used that opportunity to encourage young adults to finish their education and give back to their community. She enjoyed traveling within the United States and abroad, tending to her rose and vegetable gardens and pursuing her deep interest in people and the world around her. Devoted to her family, Thelma is survived by her children, grandchildren, great-grandchildren, sister, Lucille Riggins, and a host of nieces, nephews, other relatives, and friends.

“ *Thelma was a beautiful, wonderful, caring lady. I was always so honored to take her to the UCSB affairs where everyone was so happy to see her. She was also such a cheerful person at CURVES in the early morning. I will be among the many who will be missing her greatly, but also feel grateful for having had to chance to know her.*

“ *Mrs. Wilkes was a Ventura treasure when I was in high school with Deirdre and Lucy. I loved to see her at The Broadway where her elegance and kindness were rewards for simply walking by. When I wrote her after Lucy's death, her note to me was pure kindness. My sincerest condolences to Deirdre, Jamal, Leo and their families.*

“ *Thelma, I can't believe you are gone. Thelma was on a small, top list of the most wonderful people I have ever known in my life. She gave me the most important advise that taught me so much about life, family and children. She was a Beautiful, very special shinning light and I just adored her. I feel blessed to have had her as such a dear friend. We, my husband and I are shocked at her passing. We send our love to her beautiful family.*

“ *I was a student at UCSB in the late 1970's. I was receiving financial aid and the process was not an easy one to navigate through. Not everyone you came into contact with during this process was kind or helpful. One could be made to feel as if we were "lesser than" because we needed the financial assistance. This could not have been farther from the truth once I met Mrs. Wilkes. I still have the memory of sitting in her office & feeling like everything was going to be O.K. Her kindness, professionalism and caring has stayed with me until this day. Know that she touched many lives and her memory has left a spot in my heart. What a special woman she was. My thoughts and sympathy are with your family.*
