“ A GIFT

*Every second of every minute makes an hour to create a day
Almost 5 years of extra time: what a GREAT GIFT.*

*Getting support, understanding, encouragement, creating
confidence, discipline, smiles, laughter and love. My parents Tony
and Eloise such a GREAT GIFT.*

*Growing up not knowing how lucky you are... taking things for
granted that life will not change.. ever changing.. not knowing who
or what you will become... not knowing who you're going to meet..
not knowing who you will create, such GREAT GIFT.*

*The chances of my great-grandparents, grandparents, parents
meeting way back when to create us. Then to meet our partners
creating our children, what are the odds of such a GREAT GIFT.*

*A love of 50 years: laughter, understanding, joking around, tears,
support when lost, loving each other more with each day, a GREAT
GIFT.*

*Children, brothers, sisters, mother, father, cousins, aunts, uncles,
nieces, nephews, and friends, Our Family sharing our loss,
thoughts, prayers, tears; your love; your support thank you for this
Gift.*

*Our dad gave us five more years after our mom past. You look so
much like your mother. Your dad always has a great smile. Both of
your parents were such great people.*

*Dad moved Deedee and Sharon to Virginia, he had Laura and Tonia
nagging him, "where's the Babe" he called Brandon, Marcus was
his "Tiger", Pop, my dad. His last trip to Mariposa for Anthony's
graduation.*

*You cannot choose your family, they are chosen for you. You will
have good and bad times, but they are always there for you. We
didn't have a lot of money growing up, but we didn't need it: We had
each other; we have family:*
