

Mrs Vivian M. Reginatto

February 17, 1923 - October 19, 2021

We are overwhelmed with a profound sadness and a sense of enduring and timeless loss that our Mother, Vivian Reginatto, passed peacefully in her home at the incredible age of 98, leaving planet earth to find heavenly peace in the hereafter.

Born in Santa Cruz, CA in 1923, Mom met our Father, Al, in Chiloquin, OR in 1940, married and moved to Santa Barbara sharing seventy-three years together until his passing in 2013.

Mom personified and epitomized the very essence of grace and beauty. Typical of Italian persona, Mom kept an immaculate house and yard, being fastidious in all things including her personal appearance, perfectly coiffed hair and never without lipstick. She was a wonderful, loving mother having many talents in cooking, baking, canning, gardening, hostess, seamstress, faithful friend and a hard working woman who never sat down. While being the voice of the Reginatto Bros. and raising two daughters she worked at Harmony House Antiques for twenty-seven years and gave freely of her time to: Child Study Club, PTA, Moose, Elks, Italian Festas, Boot Club and St. Francis Hospital to name but a few. Mother was a conscientious correspondent writing letter and cards to friends and relatives near and far on a regular basis. Mom enjoyed traveling throughout the U.S., Canada and parts of Europe, Australia and cruising to Alaska, the Caribbean and Mexico. We always thought of

Mother as a saint, now an angel, and can think of no greater legacy than she has been loved by so many. Mom was also predeceased by her brother, Paul, in 2018. Surviving her are her two daughters, Carol and Nadine(Jim), grandsons Steven and Bruce and great grandson Christopher.

Mother was very fortunate to be cared for in her later years by loving caregivers, Angelas, Ellie, Mae, Maria, Melina and Soyla. To them we are forever grateful for their faithful dedication.

It broke our hearts to lose you but you did not go alone, a part of us went with you the day God took you home.
