“ *Dear Alice and Family,  
I am so sorry for your loss. Billy and I go way back in time. I have many memories. He will always be thought of. It breaks my heart I couldn't be there to say good bye to my friend. Take care. Love,

“ *Dad you have been taken from us way to early in life. The hardest thing I have ever had to do in life was losing such a great man like your self . You have been my hero in life and the greatest dad that any one could ever ask for in life. You have shown me so much in life and taught me more then i could ever ask for in life and there is so much more that i needed to learn from you. You all ways put me and corinne first in life and made sure that we had the best of everything that we could. God has taken you up to be with him and the rest of the family. We have a great set of wings looking down on corinne and i from now on. As I promised to you I will look over mom and corinne and take care of them and honor them and you in everything that I do. Thank you for the great times in life miss you from the bottom of my heart I LOVE YOU DAD you may be gone but you will never be forgot R.I,P DAD*

“ *Alice and family,  
My thoughts and prayers are with you all. I truly wish that I could be with you all. I have great memories of Billy when you all were living in Eastport and RI. He was one handsome guy. My favorite memory of Billy ( this is including Roger and Alan as well) was when Uncle Dick was baby sitting the three boys and and Dick would line them up like soldiers and march them downtown for a ice cream cone. Daddy would look out the post office window and laugh. They all were good kids and and loved Dick.  
God Bless you all. Aunt Patty*
