“ *My prayers for your family, may God's presence be near in your season of sorrow. Mrs. Munemo was my kindergarten teacher at El Camino elementary school around 1980. I am sorry for your loss, she was a great lady and teacher. I have many fond memories of being in her class. I was able to reconnect with her in the mid 1990s as a teller at BofA and met Mr. Munemo & her son at that time. My condolences & God bless. Stevie Balfour-Ritchie*

“ *Blessings and prayers to Ann's family. Mutuutawa. I knew your mom when we were Montessori Center school parents. We had such a wonderful relationship and supported each other, being parents with little ones in school for the first time. We are so sorry for your loss. I'm just reading this now after looking at someone else's memorial. I'm very saddened and surprised to find this memorial . Sending deepest condolences. Jewell, Jermaine and Dion.*
