I will always remember Yvonne's calm and caring presence during lunch time at Ellwood. I know there are thousands of students (and lots of teachers) out there who benefited from Yvonne's dedication to feeding children with a loving smile! Sending hugs to your family.

“ Yvonne! You’re such a hard worker at Ellwood school you loved being around the kids and the awesome job you did helping feed the community by handing out bags of food as the cars drove up during Covid. You are missed.
